

CULTIVATION CONSENT

ISSUED UNDER SECTION 18DA OF THE *WESTERN LANDS ACT 1901*

This consent is issued to **Norman Leslie Amos**

of "**Burrenbah**", MUNGINDI NSW 2406

being part of **Western Lands Lease 4283**

within the property known as "**Burrenbah**" as illustrated on the diagram provided herewith for the purpose of cultivating **406 hectares** for **DRYLAND CULTIVATION**.

Such consent is granted for an **indefinite term** from the date of signature hereunder, **SUBJECT TO** the conditions specified below.

WESTERN LANDS COMMISSIONER

DATE: *25/09/2014*

EXPLANATORY NOTES

This Cultivation Consent is presented as explanatory paragraphs followed by conditions.

1. CULTIVATION PATTERN

Cultivation may be carried out over the area shown on the attached diagram.

2. TYPE OF CULTIVATION

This Cultivation Consent is issued for **Dryland Farming**.

3. CLEARING

Where clearing of native vegetation is required in preparation for cultivation, a separate Clearing authorisation must be obtained.

4. AUTHORITY

The details of any Contract or Share-farming Agreement involving cultivation must be in accordance with the conditions of this Consent.
